Captain Hornet is an intelligent gadget user who flies around in a wasp-like machine of his own invention that he calls "The Hoverer". This remote-controlled machine can shoot out a highly effective paralyzing ray as well as crush, pick up, or delicately manipulate objects with its six retractable legs.

When not in the Hoverer Captain Hornet regularly carries a variety of gadgets, he has an emergency Jet-Pack, X-Ray Goggles that allow him to see through objects, and sticky pads that let him climb walls.

The computer provided more information...

COSTANAGUA IS A SOCCER-MAD LATIN AMERICAN DICTATORSHIP. THINGS WILL BE TOUGH FOR GENERAL NEGROMANO IF HIS NATIONAL SIDE DON'T EVEN QUALIFY FOR THE WORLD CUP.

In a London hotel...

CAPTAIN HORNET

The case of the crooked millionaire!

Next morning, ace crime-buster, Captain Hornet, was called in by the police.

A MILLION POUNDS IN USED NOTES THIS TIME, CAPTAIN, AND THE VAN'S DISAPPEARED, LIKE ALL THE OTHERS. THEY USED A LAND-MINE, UNLESS I MISS MY GUESS!

AGREED, INSPECTOR. BUT THIS TIME, I HOPE, THE VAN'S TYRES WERE TREATED AS I SUGGESTED...?

OF COURSE, CAPTAIN—IT'S BEEN A STANDING ORDER FOR ALL BULLION VANS SINCE THE LAST HIJACK.

GOOD, THEN I'LL BE ABLE TO TRAIL THIS ONE. BUT IT'S A ONE-MAN JOB FROM NOW ON, INSPECTOR—I'LL BE IN TOUCH BY RADIO AS SOON AS I HAVE ANYTHING TO REPORT!

The mail-van's tyres had been treated with a preparation of Hornet's invention and a clear trail was visible from the air.

THIS TIME THEY WON'T GET AWAY!

LOOKS LIKE THE END OF THE TRAIL, BUT THIS IS FAIRFIELD MANOR, THE HOME OF SIR JASON LUBARDS, THE MILLIONAIRE FINANCIER. IT—IT DOESN'T MAKE SENSE!

NO DOUBT ABOUT IT, THOUGH, THE TRAIL LEADS RIGHT TO THE HOUSE. I MUST LAND AND LOOK FURTHER INTO THIS!

THERE MUST BE SOME EXPLANATION TO THIS, BUT AT LEAST IT'LL GIVE ME A CHANCE TO SEE HOW THE OTHER HALF LIVES!
